By an agreement between the University of Toronto and the Department of Education of Ontario graduates in Arts in certain specified honour courses may be certified as having completed the academic requirements for admission to the High School Assistants' courses, Type A, at the Ontario College of Education. Graduates in Arts in the Pass Course, the General Course, and in honour courses other than those mentioned above, and graduates in other faculties and departments, such as Applied Science and Engineering, Forestry, and Agriculture, on complying with the conditions laid down in each case, may also be so certified. (See page 12.)

3. The academic requirements for admission to the High School Assistants' courses, Type A, are set forth in the various schedules to be found in the pages of this pamphlet. Each graduate who seeks standing under these regulations should communicate directly with the Registrar of the University in order that his case may be considered and his particular conditions defined. The ruling given to a graduate may be subject to revision if the graduate fails to complete at least one of the prescribed courses within a period of three years from the date of the ruling.

4. Attendance at the University during regular sessions is compulsory for the subjects and laboratory courses indicated in the following schedule:

The examination standard required is 66 per cent. in each prescribed subject and this percentage must be obtained at *one* examination. When two or more prescribed subjects are written

at one examination, standing will be granted in those subjects in which the candidate has obtained an average of 66 per cent. provided he has also obtained at least 50 per cent. in each subject.

6. A graduate in Arts holding a Degree without Honours in one of the specified honour courses, may complete the academic requirements only by re-writing the Fourth Year examination in the honour course and securing at least 66 per cent.

7. The conditions under which the graduate of another university may complete the academic requirements as prescribed by the University of Toronto may be ascertained by submitting to the Registrar of the University an official transcript of his record showing in detail the courses taken and the standing obtained in each, together with a calendar of the university concerned.

8. While all references are to the courses described in the Calendar of the Faculty of Arts for the session 1947-1948, it is understood that a candidate will write upon the examination papers provided for regular undergraduates in the session in which he presents himself for examination. Thus slight variations, chiefly in texts prescribed, may occur from session to session in the description of the courses concerned, but the standards of the courses will not be affected by these variations.
